

Beaded Fringe Shawl Pattern

Materials:

G hk or any size hk based on what yarn you use

Yarn- any yarn can be used, I used premier yarns cotton fair, fine weight (2), 52% cotton, 48% acrylic. I used 3 different colors, about 6 oz needed.

Button

Sewing needle

Beads: I used bead landing craft beads I purchased at Michaels, work great with this yarn. If using a thicker yarn choose a bead with a larger center hole.

Scissors

Body:

Row 1: Ch 4, dc in first ch made, turn.

Row 2: Ch 3, dc in lp, ch 1, dc in same lp, turn.

Row 3: Ch 3, dc in first lp, ch 1, dc in same lp, ch 1, repeat in next lp, turn.

Row 4: Ch 3, dc in first lp, ch 1, dc in same lp, ch 1, dc in

second lp, ch 1, repeat to end, turn.

**Continue with this sequence so the first and last loop of each row has 2 dc and each loop between them has 1 dc. The 2 dc at each end will help grow the triangle. Continue with the pattern until you reach the desired length you like. I made mine until the longest side measured approx. 54". I used an entire ball, 3.5 oz. then about half a ball of the multi-colored ball (14 rows).

Fringe:

Cut strands of yarn about 16" long. Insert your hk anywhere at the edge along the "V" shape. Fold a strand in half, put the loop end on the crochet hook underneath the stitch and pull through the yarn tails.

Attaching beads:

Thread the yarn through a needle that will fit through your bead (you might have to thread them one strand at a time), then taking both strands make a knot under the bead. If your bead hole is too big, don't worry! Thread the yarn one piece at a time through the bead then up and over through the bead again. Do this same technique on the other side and knot under the bead.

Attaching the button:

Count 30 spaces up from the bottom and insert hook. Take

a long piece of yarn and fold in half then make 6 chains or however many need based on how big your button is. Sl into same space and finish off, weaving in ends. Count up 30 spaces on the other side and sew on your button.

Your done! Super cute right? Perfect any time of year depending on what type of yarn you use, very versatile!
